

Reference	Description	Dates
2008.45 2008.45/1	Box 1 Flatters & Garnett Catalogue Mikrops Biological Preparations	
2008.45/1/1	Catalogue of specimens for dissection etc for use in biological research Flatters & Garnett Catalogue Mikrops Microscopical Accessories	1966
2008.45/1/2 2008.45/1/3	Catalogue of equipment used in microscopy Flatters & Garnett Catalogue Mikrops Dissecting Instruments Catalogue of dissecting instruments for use in biological research and for schools	December 1963
	Flatters & Garnett List Interim Price List of Equipment for Microscopy, Nature Study and General Laboratory Use	January 1968
2008.45/1/4	List of biological equipment marketed by Flatters & Garnett Flatters & Garnett Catalogue Abridged list of Microscopical Preparations	1954
2008.45/1/5 2008.45/1/6	Catalogue of microscopical slides of small organisms Flatters & Garnett Catalogue Mikrops Microscopical Preparations Catalogue of microscopical slides of small organisms and tissues	1949
	Flatters & Garnett Catalogue Mikrops Microscopical Preparations Catalogue of microscopical slides of small organisms and tissues	1964
2008.45/1/7	Flatters & Garnett List Mikrops Equipment for Microscopy, Biological Field and Laboratory Work	1956
2008.45/1/8 2008.45/1/9	Price listings of equipment for biological research Flatters & Garnett Catalogue Mikrops Stains, Chemicals and Reagents Catalogue of chemicals and substances for biological research	20th Century
	Flatters & Garnett Catalogue Stains, Chemicals and Reagents Catalogue of chemicals and substances for biological research	1955
2008.45/1/10	Catalogue of chemicals and substances for biological research	1949

2008.45/1/11	Flatters & Garnett Catalogue Mikrops Stains, Chemicals and Reagents Catalogue of chemicals and substances for biological research	1963
2008.45/1/12	Flatters & Garnett List Mikrops Colour Slides (2"x2") British Wild Flowers List for colour slides of british wild flowers	20th Century
2008.45/1/13	Flatters & Garnett List Mikrops Rock Sections List of slides for rock sections for geological research	1963
2008.45/1/14	Equipment for Naturalists List of apparatus for collecting organisms	20th Century
2008.45/1/15	Flatters & Garnett List Mikrops Entomological Preparations List of insect collections	October 1958
2008.45/1/16	Flatters & Garnett List Mikrops Collecting Nets List of nets for catching small organisms such as insects	November 1962
2008.45/1/17	Flatters & Garnett Catalogue Mikrops Projektascope (Mark 2) Catalogue for advertising a microprojector	June 1965
2008.45/1/18	Flatters & Garnett Catalogue Mikrops Slides for Projection Slides for biological research such as marine biology	20th Century
2008.45/1/19	Flatters & Garnett List Dissecting Dishes and Spring Clips List of dissecting dishes and equipment for biological research	20th Century
2008.45/1/20	Flatters & Garnett List Mikrops 163 Advertising a new microscopical mounting medium	20th Century
2008.45/1/21	Flatters & Garnett List Staining Equipment List of equipment such as stands and bottles for chemicals	20th Century
2008.45/1/22	Flatters & Garnett List Equipment and Supplies for Nuffield "O" Level Biology Course Biological equipment for O level students	November 1966

2008.45/1/23	Flatters & Garnett List Dissections & Injections Preparations of dissections for biological research Flatters & Garnett Catalogue	August 1962
2008.45/1/24	Mikrops Scientific Books Books on Biology such as Botany and Zoology Flatters & Garnett List	1955
2008.45/1/25	Selected Scientific Instruments for Biology and Microscopy List of scientific instruments such as microscopes Flatters & Garnett List	February 1965
2008.45/1/26	Specimen Price List Price list of specimens for biological research Flatters & Garnett List	March 1958
2008.45/1/27	Mikrops Colour Slides (2"x2") British Wild Flowers British Fungi List for colour slides of british wild flowers and British Fungi Flatters & Garnett List	June 1958
2008.45/1/28	Mikrops Colour Slides (2" x2") Marine Biology Life Histories, etc Colour slides of marine biology Flatters & Garnett Catalogue	July 1959
2008.45/1/29	Mikrops Slides for Projection Slides for biological research such as marine biology Flatters & Garnett Catalogue	20th Century
2008.45/1/30	Microscopes and Optical Accessories Catalogue of microscopes for biological research Flatters & Garnett Advert	1963
2008.45/1/31	Microscopy Without Eyestrain Advert for a microprojector that reduces eyestrain Flatters & Garnett Catalogue	20th Century
2008.45/1/32	Mikrops The No.1 Microprojector Catalogue explaining the advantages of the No.1 Microprojector Flatters & Garnett Catalogue	1966
2008.45/1/33	Mikrops Colour Slides (2" x2") A list of all Mikrops slides issued before September 1963 Flatters & Garnett List	1963
2008.45/1/34	Revised Price List for All Catalogues List of new prices of Mikrops equipment valid until March 31st 1967	October 1966

2008.45/1/35	Flatters & Garnett Progress Report Progress Report No.35 Report detailing new models and prices Flatters & Garnett List	February 1961
2008.45/1/36	Chick Embryology Models List of prices for models of each stage of a chick embryo's life Flatters & Garnett Progress Report Progress Report No.44	November 1956
2008.45/1/37	Report showing new slides and microscopes Flatters & Garnett Progress Report Progress Report No.43	May 1966
2008.45/1/38	Report showing new slides and microscopes Flatters & Garnett Progress Report Progress Report No.37	October 1965
2008.45/1/39	Report showing new slides and botanical equipment Flatters & Garnett List Equipment for Naturalists	September 1962
2008.45/1/40	Equipmet such as plastic magnifiers and nets Flatters & Garnett List Mikrops Coulour Slides	20th Century
2008.45/1/41	List of colour slides of small organisms Flatters & Garnett List	December 1959
2008.45/1/42	Anatomical, Botanical, Embryological and Zoological Models Flatters & Garnett List Photographic Department	20th Century
2008.45/1/43	List of colour slides of Honey Bees Flatters & Garnett List Biological Models	20th Century
2008.45/1/44	Models of Flatters & Garnett Ltd Models of Fossils	
2008.45/1/45	PZ/1 Flatters & Garnett Ltd	April 1959
2008.45/1/46	Progress Report No 33 Flatters & Garnett Ltd Sections of Fossil Plants	November 1959
2008.45/1/47	List AP/1	Nov 1956

2008.45/1/48	Flatters & Garnett Ltd List AP/2	Sections of Fossil Plants	Dec 1957
2008.45/1/49	Flatters & Garnett Ltd 50 Years' Service to Microscopy 1901-1951		Dec 1951
2008.45/1/50	W.J. Garnett List G2 Flatters & Garnett Ltd	Mikrops Slides	March 1972
2008.45/1/51	Dissecting Instruments Slides, Cover Glasses Boxes for Slides &C Catalogue B1 Flatters & Garnett Ltd		July 1935
2008.45/1/52	Collecting Apparatus Catalogue C (Eight Edition) Flatters & Garnett Ltd		1934
2008.45/1/53	Microscopes and Accessories Catalogue B (Sixth Edition) Flatters & Garnett Ltd		1933
2008.45/1/54	lantern slides Illustrating Zoology Botany Geology Astronomy &c Catalogue E (Fifth Edition) Flatters & Garnett Ltd		1931
2008.45/1/55	Collecting Apparatus Catalogue C (Seventh Edition) Flatters & Garnett Ltd		1930
2008.45/1/56	Microscopes and Accessories Catalogue B (Fifth Edition) Flatters & Garnett Ltd		1929
2008.45/1/57	Stains & Reagents for Microscopy Catalogue "S" Flatters & Garnett Ltd		January 1928
2008.45/1/58	Students' Microscopes List B.B. Flatters & Garnett Ltd		May 1928
2008.45/1/59	Microscopes and Accessories Catalogue B (Third Edition)		1923

	Flatters & Garnett Ltd	
	Microscopical Preparations	
2008.45/1/60	Catalogue "A" (Seventh Edition)	1927
	Flatters & Garnett Ltd	
2008.45/1/61	Temporary List of Stains, chemicals Reagents	October 1919
	Flatters, Milborne & McKechnie Ltd	
2008.45/1/62	Embryology of the Chick	c.1900
	Brian Bracegirdle	
2008.45/2/1	Famous Microscopists: Flatters & Garnett Ltd, 1901-1967	1993
	Brian Bracegirdle	
2008.45/2/2	Microscopical Mounts and Mounters	1998
	Brian Bracegirdle	
2008.45/2/3	Notes on Modern Microscope Manufacturers	1996
