

YA2008.77 Professor Douglas A. Farnie personal papers

Archival History:

Biographical History:

- Born in 1926 in Salford.
- He entered the Intelligence Corps in 1944, serving in the Field Security with the Indian Airborne in 1945-46 and the Suez Canal zone in 1947-48.
- In 1948-53 he was a History student at The University of Manchester.
- He researched the history of the Lancashire cotton industry. His 1953 MA thesis was based on the files of 1,046 companies registered in the English cotton industry in 1845-1896.
- In 1953 he moved to South Africa where he lectured on the history of western civilisation and the economic history of South Africa at the University of Natal in Durban.
- His doctoral thesis was based on the Suez Canal in particular its history of commerce and shipping.
- In 1960, he became a lecturer in the History department at The University of Manchester where he focused on the cotton industry once again. He was a lecturer from 1960-72 and a senior lecturer from 1972-80.
- He retired in 1991 after which he became involved with the centre for Business History in MMU's Faculty of Management and Business and became a visiting professor in 1997.
- He died in Manchester on the 21 June 2008.
