

The Photography of Trevor Wainwright

4 Oct 1922	Born in Balsall Heath, Birmingham
1942 -1946	Served in RAF
1947-1949	Manchester Municipal College of Technology - Pure Photography course under George Wakefield
1949 - Nov 1953	Employed by North West Electricity Board (as a photographer)
From about 1952	Traded as Relion Studios from home in Gatley
1 Jan 1954	Took over the business of Harry Kenyon and traded as Relion Studios at 6 Water St
About Oct 1956	Moved to 8 Bridge Street (above a public house) , still as Relion Studios.
Feb 1957	Advert in Kelly's Directory paid for
From 1957	Traded as T D Wainwright Photography at 8 Bridge St. until 1976
April 1976	Severely injured in a road traffic accident and unable to work again. Shortly after this, the pub premises were the subject of a compulsory purchase order to build and extension to Manchester Crown Court.
24 Feb 2011	Died in Stepping Hill Hospital, Stockport

Note re Beyer-Peacock: Beyer-Peacock employed their own staff photographer who took the occasional photograph, but was mainly employed as a dark-room technician. An outside photographer, such as Harry Kenyon and later Trevor Wainwright, was usually employed to take any photographs which were required. These would be developed in the company's own dark room, and the resulting negative left with the company. Any prints were then made by the staff technician.

Specimen Albums

Three albums with specimens of his work. These were shown to prospective clients to show off his capabilities.

All images are numbered for ease of reference, either on the album page, or on the reverse of loose images. The nnn.tif name refers to the scanned image on the DVD.

Album 1

All images black & white except where indicated.

1. factory.tif View of a factory complex
2. factory2.tif Factory buildings. Foreground show a large, new metal hopper.
3. factory3.tif Close up view of the above hopper.
4. factory4.tif Another factory view, with another giant metal hopper affair. Possibly an iron works - there appears to be an amount of scrap metal in the bottom left corner.
5. quarry.tif Quarry machinery. Limestone quarry in Derbyshire?
