ALLB/C

Miscellaneous papers

Compiled by John Coppen

Reference Code	Title	Date	Extent	Box Number	Notes
ALLB/C/001	Channel Crossing (Copies)	1974/5	49 sheets	3	In 1960 a bored tunnel was planned but the introduction of shipping lanes and the huge advances in bridge and tunnel design have revived the case for the 'Sea-Island Project; part bridge and part tunnel. Papers: 'A channel bridge-tunnel' by Professor A.L.L. Baker. Paper from 'Concrete' September 1973, Volume 7, No. 9, pages 25 & 26, 'The case for an immersed road/rail tunnel' by A. Baker. Includes plans and drawings.
ALLB/C/002	Channel Tunnel: Loose Cuttings.	1970's		3	Large collection of newspaper cuttings for and against proposed channel tunnel.
ALLB/C/003	Channel Crossing. Steering Committee. Minutes.	1978	16 sheets	3	Includes a memorandum by Sir Bruce White, 'The Channel Tunnel Island Approach'. 'Channel Tunnel proposal submitted by John Laing Construction Ltd, Note by A. Baker. Report of meetings attended by A. Baker, November 1978 - Greater London Council Symposium.
ALLB/C/004	Channel Crossing. Steering Committee. Pamphlets, Reports, etc.	1970's		3	Three ways of building a highway to Europe' featured article by Professor A. Baker:- "The Times" - April 25 1973. 'The Feasibility of Ventilating Lengths of Road Vehicle Tunnel' by A.L.L. Baker. Report: 'The Channel Tunnel Island Project;

					Technical Committee, Sept. 1979. 'A Proposal for a European Common Market Multi-Transport Channel Bridge for cars, lorries, trains and pipelines', submitted by L.E. Detwiler Project Chairman.
ALLB/C/005	Channel Crossing: Sundry Papers.	1970's		3	Includes: 'Channel Crossing' . Talk by Mr. C. W. H. McGowan, November 1968; 'A submerged motorway tunnel in the Netherlands' by R.J. Bridgwater, March 1975; 'Crossing the Channel' by Professor A.L.L. Baker. January 1969; Copies from Hansard, pages 2282 -2303, July 1969; Colour poster 700mm x 1020mm , Sea Island Project.
ALLB/C/006	Channel Crossing: Spare Copies of Papers.	1968-1973		3	Paper: Lecture at Imperial College, November, 1968, 'Rethinking the Channel Tunnel' by C.W.N. McGowan; 'Channel Crossing' talk by Mr. C.W.H. McGowan, November , 1968; 'The Cross Channel Tunnel' talk by Brigadier J. Constant, November, 1968; 'A combined road and rail immersed tunnel channel crossing' by Profess A.L.L. Baker, October , 1973; Comparison of the bored tunnel with a bridge tunnel by Professor Baker, November, 1968.

ALLB/C/ 007	Channel Crossing; Transport Committee.	1972		3	House of Commons Transport Committee, Fixed Channel Link, Evidence by the Department of Transport. CT 54; Memorandum of Evidence to the Transport Committee CT 53; 1972 map (based on original 1892 drawing) of the Dover Strait indicating the channel island option. Size 707 x 1040mm.
ALLB/C/ 008	Channel Tunnel: Professor Baker's File (From: Lord De L'Isle).	1972/3		3	Conference, Speakers' Papers, 'Transport Links between Britain and the Continent', Royal Lancaster Hotel, London, November 1973; Paper: 'Some considerations of submerged tunnelling' J. Brakel, reprinted from <i>Proc. Instn. Civ. Engrs</i> , 1972, 51 (January) 133-152; 'Prefabricated Subaqueous Tunnels (Immersed Tubes)' Bibliography to 1st April, 1967. Various sketches and drawing.
ALLB/C/ 009	Channel Tunnel: Pre-1978.	1972/3		4	Proposed European Common Market Channel Bridge, Industrial Area, City and Port Project', March, 1972; 'Proposed European Common Market Channel Bridge, Industrial City and Port Project, versus Railway. Channel Tunnel Project', June 1972; 'The Channel Tunnel Project: Key Issues, A dialogue of dissent', produced by Afco Associates, Transport Consultants, October, 1973; 'The Channel Tunnel Project - An Answer' a report prepared by Afco

					Associates, June 1973.
ALLB/C/ 010	Channel Crossing: Sundry Papers.	1972		4	Paper: 'Engineering Committee on Oceanic Resources, The Long-Standing Role of British Engineers in Limiting Abuse of the Oceans' January 1972; 'The Oceanology Scene in 1972; by M.B.F. Ranken, January 1972; Paper: 'Field and laboratory studies of a fall in Upper Chalk cliffs at Joss Bay, Isle of Thanet' by J.N. Hutchinson; Maps: Proposal for a Channel Link, Proposal No. 2 & No. 3.; Various other sketches and notes.
ALLB/C/ 011	Channel Tunnel: 1973 - 1974 Plans.	1974		4	Colour poster 'Sea Island Project'; Sketch: 'Proposed Approaches to Immersed Channel Tunnel for Road and Rail at Dover'; Various maps and sketches for the island project.
ALLB/C/ 012	Channel Crossing: Discussion. Institute of Civil Engineers, October, 1972.	1972		4	Paper: 'Crossing the Channel, The McGowan/Baker Proposal for "A Channel Fixed Link"' February 1969; Paper: 'A Proposed Channel Bridge-Tunnel' Lecture by Professor A.L.L. Baker, Delft, June, 1969; Symposium Cranfield College, '

					Cross Channel Transport, under or over or on', July 1969; Catalogue: Union 10 on suction dredgers; Miscellaneous sketches and papers.
ALLB/C/013	Channel Crossing: Papers Likely to be Quoted (Apart from Master Copies).			4	Paper: 'Prefabricated Subaqueous Tunnels (Immersed Tubes)' Concrete Structures and Technology. Bibliography to April, 1967; Paper: 'Rethinking the Channel Tunnel' Engineering 24 March 1967; Paper: 'An Alternative Channel Crossing' Institute of Civil Engineers, October, 1972; Lecture: 'Chesapeake Bay Bridge-Tunnel Engineering Design' The Institute of Civil Engineers, September 1969 by General L.J. Sverdrup; Various sketches and notes, the Channel Bridge option.
ALLB/C/014	Three Ways of Building a Highway to Europe.	1973	23 pp	5	Feature Article by Professor A.L.L. Baker:- "The Times" - April 25, 1973. And specialist United Kingdom and Dutch Marine Engineers from Westminster Dredging Co. Ltd., Hydronamic B.V. and BOS Kalis Westminster Group. Two copies.
ALLB/C/015	An alternative Channel crossing.	1972	2 pp	5	Informal discussion introduced by Professor A.L.L. Baker, Tunnels and Tunnelling, November, 1972, pages 540-542.

ALLB/C/ 016	Some considerations about submerged tunnelling.	1970	33 pp	5	Describes a variety of tunnelling project around the world. By J. Brakel, Senior scientific officer, Delft University of Technology. Plus twenty drawings.
ALLB/C/ 017	Thoughts on the Channel Tunnel.	1974	20 pp	5	Feasibility study of the costs as well as qualitative advantages and disadvantages of the two main alternatives, a rail tunnel versus a road/bridge. E. Pearce, October 1974.
ALLB/C/ 018	Waves at Varne Light Vessel, Dover Strait.	1968	5 pp	5	By L. Draper and R. Graves, National Institution of Oceanography, Wormley, Godalming. N.I.O. Internal Report No. A. 34. September 1968. (Plus Fig. 1-12.)
ALLB/C/ 019	The Channel Link.	1963	6 pp	5	By H.J.B. Harding. This article puts forward reasoned comments favouring an underwater link between Britain and the European mainland.
ALLB/C/ 020	Submerged Tunnelling	1970	90 pp	5	Describes a variety of tunnelling projects around the world. By J. Brakel, Senior scientific officer, Delft University of Technology.
ALLB/C/ 021	Channel Crossing Controversies. Review of a Variety of Schemes Submitted.	1961	3 pp	5	By H.J.B. Harding. Reprinted from <i>The Dock & Harbour Authority</i> , Vol. XLII, No. 493, November 1961. Paper has edge damage.
ALLB/C/ 022	The Bridge-Tunnel-Bridge Project. Latest development in the	1963	7 pp	5	Paper from <i>Cement Lime and Gravel</i> , July 1963, pages 225 - 238. The cross-channel link will require very large quantities of cement and aggregate, with a

	Channel link controversy.				construction to be spread over five or more years.
ALLB/C/023	Informal Discussion 'An Alternative Channel Crossing'.	1972	12 pp	5	Held at The Institution of Civil Engineers, Great George Street, Westminster, SW1., Tuesday 24 October 1972, introduced by Professor A.L.L. Baker.
ALLB/C/024	Submerged Concrete Structures.	1973	6 pp	5	By Harvey H. Haynes, U.S. Navel Civil Engineering Laboratory, presented at the Offshore Technology Conference, Dallas, Texas. Paper No. OTC 1887. Concerning predictions of the implosion strength of spherical and cylindrical structures and other design constraints relating to submerged concrete structures.
ALLB/C/025	Commission of the European Communities.	1976	26 pp	5	COM (76) 336 final, Brussels, June 1976. Communication from the Commission to the Council on action in the field of transport infrastructure, proposal for a council decision and regulation.
ALLB/C/026	The Evaluation of Wave Forces on Sea Wall at Teignmouth.	1979	2 pp	5	A meeting for CIRIA members (Construction Industry Research & Information Association) to consider the research project, held in London, March 1979.
ALLB/C/027	Prefabricated Subaqueous Tunnels (Immersed Tubes)	1967	7 pp	5	Bibliography to 1st April, 1967. Two copies.

ALLB/C/ 028	The Transport Services of the Channel Tunnel.	1970	7 pp	5	Talk by J.A.L. Barber, Ministry of Transport, Lille Symposium - June 1970
ALLB/C/ 029	A Fixed Channel Link, discussions.	None	16 pp	5	Considerations concerning the traffic, possible fixed channel crossing solutions, and discussion of two alternative solutions. From R.C. Stigter, Hydronamic.
ALLB/C/ 030	Case for a Feasibility Study of a "Immersed Tube" Channel Crossing.	None	2 pp	5	The Sir Alex Cairncross Committee puts forward reasons why a study should be made because of the lack of information to compare an "Immersed Tube" project with other proposals.
ALLB/C/ 031	Study of the Community Benefit of a Fixed Channel Crossing.	1978	9 pp	5	A summary of the report by Coopers and Lybrand Associated Ltd.
ALLB/C/ 032	Channel Link - What are the Options?	1980	5 pp	5	Delegates' List. British Road Federation Symposium, London, May 1980.
ALLB/C/ 033	British Road Federation Symposium.	1980	7 pp	5	Letters and registration paperwork.
ALLB/C/ 034	Rethinking the Channel Tunnel.	1968	16 pp	5	Lecture at Imperial College, November, 1968, by C.W.N. McGowan.
ALLB/C/ 035	The Proposed Channel Tunnel.	1973	2 pp	5	The Liberal Party Organization Seminar on the Proposed Channel Tunnel, some conclusions suggested by Professor A.L.L. Baker. June 1973.
ALLB/C/ 036	Channel Tunnel.	1974	2 pp	5	Letter from Sir Alec Cairncross to Prof. A.L.L. Baker, dated October, 1974.

ALLB/C/ 037	Tunnels Designed and Constructed by Christiani & Nielsen A/S.	1967	8 pp	5	Christiani & Nielsen specializing in reinforced and restressed concrete structures and immersed tunnels. Report covers projects in Demark, Sweden, Holland, Belgium, Thailand, Canada and the United States.
ALLB/C/ 038	The Channel Tunnel - A Public Discussion.	1973	5 pp	5	Alphabetical list of delegates, The Royal Society of Arts, London, June 1973.
ALLB/C/ 039	Introduction to the Deltaworks.	1968	12 pp	5	Details of the Holland and the Zuyderzee Delta Projects. Plus 13 drawings.
ALLB/C/ 040	A Proposal for a Fixed Channel Link.	1972	6 pp	5	By C.W.N. McGowan and Professor A.L.L. Baker, December 1972.
ALLB/C/ 041	The Volkerak Project.	None	6 pp	5	Ministerie van Verkeer en Waterstaat. No. 325 E. Published in co- operation with the Delta Division of the Ministry of Transport and "Waterstaat".
ALLB/C/ 042	Conference Delegates - Delta Tunnelling Symposium.	1978	8 pp	5	RAI Congress Centre, Amsterdam, 16-17 November 1978.
ALLB/C/ 043	Design Project for Channel Tunnel. Literature for Reference.	None	1 pp	5	Reference to 18 items.
ALLB/C/ 044	Koninklijk Instituut van Ingenieurs.	1978	7 pp	5	Delta Tunnelling Symposium, Amsterdam, November, 1978. Arranged by Ir. A Glerum, Chairman of the Tunnelling Section of the Royal Institution of Engineers in the Netherlands.

ALLB/C/ 045	The Channel Tunnel.	1977	5 pp	5	Letter from Professor A.L.L. Baker, Imperial College of Science and Technology, London to The Right Honourable Roy Jenkins, President, E.E.C., Brussels, Belgium, September 1977. Reference EEC funding.
ALLB/C/ 046	Channel Tunnel Pamphlet.	1975	2 pp	5	Parliamentarians Interested in a Combined Road and Rail Crossing in 1975.
ALLB/C/ 047	Colloque sur les Infrastructures Europeennes de Transport a Luxembourg les 9 et 10 Novembre 1978.	1978	2 pp	5	Comite Permanent pour le Marche Commun, International European Construction Federation. Luxembourg.
ALLB/C/ 048	Channel Bridge/Tunnel McGowan Scheme.	1968	2 pp	5	File Note: EG/1/1. An opinion as to whether the artificial islands could be of use as tanker terminals. March 1968.
ALLB/C/ 049	Some considerations about submerged tunnelling.	None	6 pp	5	By Ir. J. Brakel, Senior Scientific Officer, Delft University of Technology. Deformations caused by shrinkage, temperature, creep and settlement are discussed.
ALLB/C/ 050	Channel Tunnel.	1978	6 pp	5	Scheme for combined road and rail. Emeritus Professor A.L.L. Baker, July 1978
ALLB/C/ 051	McGowan Channel-Bridge-Tunnel.	1968	1 pp	5	Note by Professor A.L.L. Baker, April 1968. Plus drawings I - III. Two copies.
ALLB/C/ 052	Bored Tunnel notes.	None	1 pp	5	Hand written notes, bored tunnel, Chesapeake Type.
ALLB/C/ 053	The Channel Tunnel	1974	9 pp	5	To examine the economic and financial viability

	Island Project.				of the rail project. Two copies
ALLB/C/054	The Sevenoaks Society.	1974	20 pp	5	Newsletter March 1974. Page 5, the effects on Kent. The compulsory purchase of land and other property and the dramatic increase in traffic using Kent roads in the coming years.
ALLB/C/055	Why... Feasibility Studies?	None	1 pp	5	By John. H. Sargent, Dredging Investigations Limited. It is essential to carry out field and laboratory work to collect data and to seek and collate the opinions of experts in various disciplines before the viability or feasibility of a project can be confirmed.
ALLB/C/056	Luchtsnelheid in Langsrichting Concentratie Verontreiniging (Stilstand Verkeer)	None	13 pp	5	Dutch tunnel and bridge construction drawings. Covers tunnels built in Holland, USA, Canada & Cuba.
ALLB/C/057	The case for an immersed road/rail tunnel.	1973	2 pp	5	By Professor A.L.L. Baker, from "Concrete", September 1973, pages 25-26. Two copies.
ALLB/C/058	Letters: All the way by road to the Continent?	1968	1 pp	5	From <i>Engineering</i> , June 1968, pages 885-886.
ALLB/C/059	Newsdesk: Channel Tunnel machines nearing completion.	1974	1 pp	5	From <i>Civil Engineering</i> , July/August 1974, pages 15-16.
ALLB/C/060	Engineering environment Notes: All the way by road to the	1968	1 pp	5	From <i>Engineering</i> , May 1968, Volume 205, Number 5326, pages 727-728.

	Continent?				
ALLB/C/ 061	Letter: Fixed Channel Link: rail and road?	1968	1 pp	5	From <i>Engineering</i> , June 1968, pages 979-980.
ALLB/C/ 062	Detecting a glimmer of light at the end of the Channel Tunnel.	1971	2 pp	5	By Peter Mason. From <i>The Professional Engineer</i> , August 1971, pages 64 - 66. Some of the highlights and low spots in the chequered history of a continuing saga.
ALLB/C/ 063	Steel Box Girders to Span 400m.	1967	4 pp	5	Great Belt Bridge Award Winners. From <i>The Consulting Engineer</i> , March 1967, pages 65-69.
ALLB/C/ 064	News Paper Cuttings	1973/4	8 sheet s	5	
ALLB/C/ 065	Channel Tunnel Pamphlet. Parliamentar ians Interested in a Combined Road and Rail Crossing in 1975.	1975	2 sheet s	5	
ALLB/C/ 066	Daily Cross- Channel Vehicle Traffic: one way (inwards)	April 1973	1 pp	5	Afco Associates (Transport Consultants)
ALLB/C/ 067	Submersed Tunnel Channel Crossing Feasibility Study for E.E.C. via M.O.T. London	None	1 pp	5	Organisational chart
ALLB/C/ 068	The	August	1 pp	5	From CN Post, August

068	Elbtunnel at Hamburg.	1968			1968, page 7.
ALLB/C/069	Journal of Inst. Navigation.	July 1971	1 pp	5	Hand written note: shipping traffic
ALLB/C/070	Calculations	None	1 pp	5	Hand written note: UK-USA.
ALLB/C/071	Calculations	None	1 pp	5	Hand written note: Calculations
ALLB/C/072	Recent Survey	None	1 pp	5	Dr. E.R. Shepherd-Thorne?
ALLB/C/073	Asphalt and built-up felt roofings: durability.	August 1972	4 pp	5	Building Research Station Digest No. 144. SBN 11 721556 2.
ALLB/C/074	CCL Times, Autumn Issue.	None	4 pp	5	CCL. Systems Ltd., Surbiton, Surry.
ALLB/C/075	Tunnels immergés. Evolution des méthodes d'immersion.	March 1970	5 pp	5	By K. Havno. Pages 175 - 184. Written in French.
ALLB/C/076	Holland floats-out 40,000t concrete boxes.	October 1974	1 pp	5	Immersed Tube Tunnels by Peter Reina, <i>New Civil Engineer</i> , pages 39-40.
ALLB/C/077	Immersed tunnels-Danish style.	Nov-78	4 pp	5	British Tunnelling Society Meeting. From Tunnels & Tunnelling Planner No. 42R-195.
ALLB/C/078	Start soon or scrap Chunnel warns Frame.	August 1974	1 pp	5	By David Hayward. From <i>New Civil Engineer</i> , pages 13-14.
ALLB/C/079	Sea-Island Project. The building of islands in the open sea for industrial development.	None	4 pp	5	A summary of the report by BOS Kalis Westminster Dredging Group.
ALLB/C/080	The Best Way into Europe-The Channel Bridge.	None	10 pp	5	Produced by 'The New Channel Bridge' Twyford, Berks. Published by Building Specification, Croydon, London.

ALLB/C/ 081	Limfjords Tunnel	None	8 pp	5	Consulting engineer: Christiani & Nielsen.
ALLB/C/ 082	The Art of Tunnelling. K. Szechy.	None	2 pp	5	Flyer only.
ALLB/C/ 083	The Drecht and Kil tunnels.	October 1974	1 pp	5	From <i>New Civil Engineer</i> , 17 October 1974, pages 37-38.
ALLB/C/ 084	Giving vent to the options.	March 1979	1 pp	5	Dr. Alexander Haerter reviews the three main methods of ventilating today's tunnels. From Supplement to <i>New Civil Engineer</i> , March 1979, pages XXIX-XXX.
ALLB/C/ 085	Newspaper cuttings	1976 & 1980	3 sheet s	6	Transport, the next 10 years; The channel tunnel from Napoleon to Harold Wilson.
ALLB/C/ 086	Will it stop at two?'	October 1972	4 pp	6	By Eric Jeffs, from <i>The Consulting Engineer</i> , October 1972, pages 47 - 50
ALLB/C/ 087	Self Elevating Work Barge GEM - 111.	Septemb er 1969	1 sheet	6	Description of fixed equipment. No. 103291. G.E.M. Compagnie Generale D'Equipment, Paris
ALLB/C/ 088	Self Elevating Work Barge GEM - 126.	Novembe r 1969	1 sheet	6	Description of fixed equipment. No. 103471. G.E.M. Compagnie Generale D'Equipment, Paris
ALLB/C/ 089	Channel Tunnel Conference - 5 June 1973	June 1973	15 pp	6	A review of the current position by Colin Buchanan. The Royal Society of Arts.
ALLB/C/ 090	Channel Tunnel Pamphlet.	1975	2 pp	6	Parliamentarians Interested in a Combined Road and Rail Crossing in 1975. Two copies.
ALLB/C/ 091	Some consideratio ns of submerged tunnelling.	1972	12 pp	6	Discussion paper by Ir. J. Brakel. Reprinted from <i>Proc. Instn. Civ. Engrs</i> , 1972, 51 (January) 133-152. Two copies.

ALLB/C/ 092	An alternative Channel crossing.	1963	2 pp	6	Informal Discussion introduced by A.L.L. Baker. Reference Ministry of Transport. Proposal for a fixed Channel link. <i>HMSO</i> , London, 1963, Cmnd 2137, pages 406 -408.
ALLB/C/ 093	Commission of the European Communities.	1979	10 pp	6	Report No. 14250, dated 16 March 1979. Questionnaire asking basic information regarding the provision of a fixed link across the channel.
ALLB/C/ 094	Commission of the European Communities.	1979	25 pp	6	Estimate of the costs of construction and of equipment. Description of the type of information required and of the method of completing the supplementary questionnaire above.
ALLB/C/ 095	The Channel Link.	1978	5 pp	6	Research Library. Greater London Council. No. 31, November 1978. Compiled by Mary Brodie. A concise report on the history and background of the link between Britain and France from the setting up of the Channel Study Group in July 1957.
ALLB/C/ 096	The Chunnel might be fine, if built by all the Nine.	1978	1 pp	6	The European Community. From <i>The Economist</i> , October 14, 1978, page 43. Mr. Richard Burke, the EEC's transport commissioner proposes a £20 billion plan to improve the EEC's roads, railways and canals.
ALLB/C/ 097	The Cross Channel Tunnel.	1968	8 pp	6	Talk by Brigadier J. Constant, introduced by Professor Baker. Dated November 1968.

ALLB/C/098	Proposed Communications Chart	None	1 pp	6	Proposed communications chart between London, Brussels, Imperial College, Consultants and Contractor. Plus three copies.
ALLB/C/099	Cross section drawing.	None	1 pp	6	Road and rail with Varne and Colbart islands.
ALLB/C/100	Cross section drawing.	None	1 pp	6	Road and rail with Varne and Colbart islands, showing 7 mile and 5 mile tunnels.
ALLB/C/101	Channel Tunnel	None	1 pp	6	Cooper Lybrand. Revenue, Page 4. Hand written notes.
ALLB/C/102	E.E.C. - Transport	1979	2 pp	6	Hand written notes, September 1979.
ALLB/C/103	Channel Tunnel	1977	1 pp	6	Hand written notes, November 1977.
ALLB/C/104	Communications	None	1 pp	6	Hand written notes.
ALLB/C/105	Channel Tunnel.	1980	1 pp	6	Notes for a Meeting with Mr. Mullen, Chicago Tribune. (A.L.L. Baker, 10th July, 1980) The great advantage of the tunnel is the time-saving and convenience, with significant economic results.
ALLB/C/106	Coloured postcards	None	6 pp	6	Coloured postcards illustrating Tunnel du Mont Blanc, and the Courmayeur mountain range.
ALLB/C/107	EEC warns to single bore Chunnel scheme.	1980	2 pp	6	Cover Story. <i>New Civil Engineer</i> , 21 February 1980, p 36-37. British Rail's version of a single bore Channel tunnel.
ALLB/C/108	Three ways of building a highway to Europe.	1973	23 pp	6	Featured article by Professor A.L.L. Baker:- "The Times" - April 25, 1973. Recommendations that a full feasibility study should be carried out of the alternatives outlined in this

					document.
ALLB/C/109	The Channel Tunnel Island Project.	1979	5 pp	6	Proposed Subjects for Study - A.L.L. Baker. September 1979.
ALLB/C/110	The Channel Tunnel.	1980	1 pp	6	Immersed Tube in Approaches - Bored Tubes in the Clay. March, 1980. Plus four copies.
ALLB/C/111	Sketch:- Channel Tunnel Entry.	1980	1 pp	6	A.L.L. Baker, dated March 1980. Plus two copies.
ALLB/C/112	The Channel Tunnel with reference to Maplin Airport.	None	4 pp	6	The National Transport Working Party, The Conservation Society, Channel Tunnel Sub-Committee. Recommendations: Government should approve in principle a rail-only Channel Tunnel and scrap the Maplin/Docks complex.
ALLB/C/113	The Channel Crossing: The Feasibility of Ventilating Lengths of Road Vehicle Tunnel up to 16,000 Metres.	None	7 pp	6	Satisfactory ventilation can be achieved as demonstrated by using the Mont Blanc tunnel as a full-scale model. By A.L.L. Baker. Plus Fig. 1.
ALLB/C/114	L'impianto di illuminazione della galleria autostradale del monte Bianco.	1967	16 pp	6	Written in Italian. Estratto Dalla Rivista "Autostrade" Aprile 1967.
ALLB/C/115	Tunnel ventilation systems.	1979	1 pp	6	Supplement to <i>New Civil Engineer</i> , March, 1979.

ALLB/C/ 116	Mont Blanc tunnel profile.	1962	6 pp	6	"Travaux" December 1962
ALLB/C/ 117	Alpine Road Tunnels.	None	4 pp	6	Professor Zignoli. Cross sections of Mont Blanc Tunnel and St. Bernard Tunnel showing ventilation systems.
ALLB/C/ 118	Drawings and handwritten notes on tunnel ventilation.	None	15 pp	6	
ALLB/C/ 119	The New Channel Bridge.	1973	2 pp	6	Report of a Conference at Surrey University, discussing the best ways of crossing the channel. Reprinted from <i>Building Specification</i> , May 1973.
ALLB/C/ 120	Cableway Excavators	None	1 pp	6	
ALLB/C/ 121	Construction Progress.	1971	2 pp	6	Practical innovations by the Costain Group. Unique plant for laying immersed tube tunnel units at Hong Kong. No.16. November 1971.
ALLB/C/ 122	Crossing the Channel	1969	3 pp	6	By Professor A.L.L. Baker. Imperial College. Reprinted from <i>The Consulting Engineer</i> , December 1968/January 1969.
ALLB/C/ 123	Chesapeake Bay Bridge.	None	1 sheet	6	Monochrome photograph airview of the Chesapeake Bay Bridge Tunnel Opened. Reference (64-2029)
ALLB/C/ 124	Mont Blanc tunnel.	None	1 sheet	6	Colour brochure on the construction of the tunnel written in English and French.
ALLB/C/ 125	The Channel Tunnel- The Combined Road and Rail Tunnel (S.E.T.C.M.)	1964	7 pp	6	Extract from <i>Le Monde Souterrain</i> No. 140, October, November, December, 1964, p.p. 167 - 175.
ALLB/C/ 126	Waiting for a light at	1974	1 pp	6	By Roland Gribben.

	the end of the Chunnel.				
ALLB/C/127	Unusual procedure to meet unusual situation on tunnel Bill arising from two elections.	1974	1 pp	6	<i>The Times</i> , Tuesday November 12, 1974
