1	1	Connecting rods

1	6	Iron & Steel, principles
1	21	Connecting rods of steam engines
1	24	Trinity dredging vessel, description
1	35	Changing pumps for marine boilers
1	37	Bee, dimensions of Her Majesty's Steam Vessel, Bee
1	24	Dredging vessel no. 2 belonging to Trinity Corporation
1	40	Bee H.M.S.V., experiments with screw propeller & paddle wheels
1	49	Devastation, dimensions of Her Majesty's Frigate
1	40	Screw propeller, experiments with H.M.S.V. Bee
1	50	Devastation, experiments with fuel consumption, Malta to Tripoli
1	52	Bee, H.M.S.V., experiments with Blaxland's propeller
1	54	Bee, H.M.S.V., experiments with Ericson's propeller
1	55	Era, particulars of
1	55	Thunder and Lightning, particulars of
1	55	Minerva, particulars of
1	55	Viva, particulars of
1	55	Eclipse, particulars of
1	55	Thistle, particulars of
1	55	Dart, particulars of
1	59	Queen of the French, particulars of
1	61	Blackwell Railway, stationary engines, indicator diagram

1	63	Vesuvio & Capri, particulars of
1	65	Tubular boilers as fitted to various ships
1	67	Danish engines, 60 horse power, total weights
1	68	Belgian Railway
1	70	Sugar Mills, prices of
1	71	Courier, particulars of
1	72	Express, particulars of
1	74	Crimea, Russian vessel, 130 horse power
1	76	South Devon Railway, 40 horse power engines
1	77	Dimensions of engines
1	83	Dieppe, Brighton boat, dimensions of
1	84	Waterlily, screw vessel, dimensions of
1	85	Holyhead vessel, dimensions of
1	89	Vassitei Sudjaret, particulars of
1	90	Skinner, Danish vessel, particulars of
1	91	Mr Zohiat, Tug vessel, particulars of
1	92	John Stevens, American vessel, particulars of
1	93	Conway, weight of 130 horse power engines
1	94	Express, paddle steamer, weight of 80 horse power engines
1	95	Vassitei Sudjaret, weight of 150 h.p. double cylinder engines
1	96	South Devon Railway, slide motion of 40 h.p. engine
1	97	Erin, Peninsular Company paddle

		steamer, particulars of
1	98	Niger, steam sloop, dimensions of
1	99	Blenheim, steam guard ship, particulars of
1	101	Courier, weight of 100 h.p. annular engine
1	102	Cylinders and Condensers, thickness of
1	104	Sugar Mills, A. Robinson's
1	105	Chimneys for marine boilers
1	109	Great Northern, particulars of
1	110	Airpump bucket & discharge valve
1	111	Discharge valves through side of vessel
1	115	Crank pins, surface of, for various engines
1	117	Crank bearings, surface of, for various engines
1	118	Cylinder cross head guides, surface of, for various engines
1	121	Steam pipes
1	123	Land engine boilers
1	123	Thames Tunnel boilers
1	129	Ratten, screw vessel, particulars of
1	130	Marine engines, weights of
1	135	Flue boilers
1	139	Paddle wheels with 3 centres
1	141	Paddle wheels with 2 centres
1	143	Paddle wheels with overhanging centres
1	145	Slide valves

1 152 Dispatch, Southampton vessel,  
particulars of

1 153 Vessels, particulars of

2	46	Air pump beams, details of
2	47	Fire engines
2	48	Weights, comparative, of 200 and 40 horse power engines
2	50	Terrible, 400 horse power safety valves
2	52	Paddle wheels, 60 horse power, feathering
2	53	Vibrating engines, 70 horse power, details of
2	56	Dimensions, 15 horse power engine
2	58	Locomotives, Birmingham, Centaur, Erebus, details of boiler
2	59	Stephenson locomotives, details of boilers
2	71	Vibrating engine, 70 horse power, dimensions of
2	64	Dublin schooners, screw propellor shaft
2	65	Crank shafts, dimensions
2	68	Niger, steam sloop, dimensions of
2	68	Dimensions, comparative, 25 to 225 horse power engines
2	71	Paddle wheel for the Desperate, details of

2	71	Desperate, paddle wheel, details of
2	72	Dimensions, comparative, various marine engines
2	74	Niger and Desperate, details of
2	84	Paddle wheel for the Lombard, details of weight etc.
2	86	Boilers, dimensions
2	90	Dimensions, comparative for steam pipes
2	92	Pumping engine, 25 horse power, details of
2	93	Dimensions, comparative sizes of condensers
2	94	Dimensions, comparative surface of crank pins
2	96	Dimensions, comparative surface of crank bearings
2	98	Engines various, details of
2	110	Boilers, details of for various railways
2	111	Boilers, details of, Constantinople Mint
2	111	Constantinople Mint, details of boilers
2	113	Boilers, details of for Russian vessel, 90 horse power
2	110	Railway companies, details of boilers
2	116	Dimensions, comparative
2	120	Russian vessel, details of, 90 horse power
2	127	Dimensions, comparative for boilers, Royal Yacht and the Scotia
2	127	Royal Yacht, dimensions of boiler

2	127	Scotia, dimensions of boiler
2	128	Fuel used by steam vessel on journey of 170 miles
2	134	Scotia and Anglia, particulars sent to company
2	134	Anglia and Scotia, particulars sent to company
2	137	Paddle wheels, feathering, comparative dimensions
2	140	Statistics, number of engines made by Maudslay, Sons & Field
2	147	South Devon Railway, 40 horse power engines
2	148	Vestal, particulars of boilers
2	148	Boilers, particulars for Vestal
2	156	Screw propellers, comparative dimensions
