The Adams collection

Type	Title	Notes
Book	Early Days of the Power Station Industry RH Parsons 1939	Includes letter to Adams signed by the author
Report	Possible Power Station Sites. Preliminary Report March 1949	Report & Maps
Report	Proposals for New Generating Station at Queensferry 1938	
Folder	Photographs	Collection of loose photographs mostly boiler cleaning
Folder	Personal Photographs	Personal and Technical
Booklet	The Padiham Generating Station of the Lancashire Electric Power Company 1928	Reprint of article in The Engineer July 20 th & 27 th 1928
Booklet	The Lancashire Electric Power Company 1923	Reprint of Article in Engineering December 22 nd & 29 th 1922
Booklet	The Radcliffe & Padiham Station of the Lancashire Electric Power Company	Reprint of Article in Town & Country News 1929
Booklet	Paints and Power stations	Advertising feature for Bowran Paints showing Kearsley & Agecroft
Booklet	Kearsley Generating Station. u/d post Nationalisation	Promotional Booklet
Catalogue	Micro Lathes and accessories 1945	Sales catalogue
Booklet	Kearsley Power Station. u/d c1940	Promotional and informational Booklet
Photograph Album	LEP Company's System and Activities c1947	Photographs: Construction wartime; usages
Photograph Album	Employers Welfare LEP Company 1940-50	Various social events

Booklet	Souvenir of the Official Opening of the Extension at the Kearsley Power Station By the Earl of Derby 1936	Brief history of Company and of the extension
Cutting	The Fouling of Boiler Tube Surfaces 1943	Cutting from Engineering Nov 12 th 1943
Booklet	Beacon July 1949 Beacon July 1950 2 copies	Magazine of the NW Div. British Electricity Authority
Book	The Method of Testing Dust Extraction Plant 1940	
Booklet	The Queens Engineering Works Magazine Jan 1916	
Booklet	Tables for Engineers.	
Technical Paper	Relationship between Chlorine content of Coal Burner and the availability of a Stoker Fired Boiler 1952	2 copies
Technical Paper	Summaries of Published Papers 1953	3 copies
Technical Paper	Corrosion Fatigue Cracking	4 copies
Technical Paper	The External Fouling and Corrosion of plant 1940-51	
Technical Paper	Method of Cleaning Modern Stoker Fired Boiler Plant 1943	2 copies
Technical Paper	External Deposits and Corrosion in Boiler Plant	2 copies
Technical Paper	Severn Papers on Boiler Availability	3 copies
Technical Paper	Second Interim Report on External Deposits and Corrosion	2 copies
Technical Paper	The External Fouling and Corrosion of Boiler Plant	2 copies
Technical Paper	External Deposits on the Heating Surfaces of Boilers	
Technical Paper	The Analysis of External Deposits from Boilers 1947	
Report	Report on Price Structure of Coal 1946	
Report	On Measures...taken ...to Obviate the Emission of Soot	3 copies

Company Newspaper	The News Bulletin	July – Oct 1938 May 1939 Dec 1940 July – Oct 1941 Oct 1946 July 1947 Mar 1948	2 copies 2 copies 2 copies
Booklet	Kearsley Power Station		Reprinted from the Engineer 31 st July, 7 th Aug 193?
Booklet	Journal & Proceedings of the Institution of Mechanical Engineers	1948	
Booklet	Testing & Meter Depart.	1947	Mention of cooling Tower
Comic	Boys & Girls	1937	
Booklet	The Importance of Attention to Detail	1909	
Invitation Card	LEC Earl of Derby Extension	1936	
List of Guests	LEC Earl of Derby Extension	1936	
Menu	LEC Earl of Derby Extension	1936	
Certificate	Certificate of MH Adams Election to Associate Member of the Institution of Mechanical Engineers	1909	
Glass Negatives	Box of 43 glass negatives		Showing power station Technology
