Box Number	Reference Code	Description	Date
unboxed	DUNNE/P12/01	Framed and glazed photograph full-length portrait of two men, JW Dunne on the right, unidentified man on the left	
unboxed	DUNNE/P12/02	Set of 6 display boards that Dunne used in some of his talks on Serialism. The diagrams are effectively taken from his various books on the subject. T1 is physical time, as described for example by Einstein's theory of relativity, T2 is the time we experience consciously as "travelling along" T1, A is some physical object, B is an individual observer of the object, C is a higher-level self observing B, and so on. The row of numbers are successive events or "now moments" along some timeline, with a "now-marker" highlighting the fifth.
